I have my motto written on my sail: 'To live in love.'

Our Partnership Mission

Our partnership family is united in its shared mission to develop our Catholic ethos in order to transform the lives of every child, family and community we serve, in Jesus' name.

Our vision is to empower every child to excel academically, socially, morally, culturally and spirituality in order that they may flourish as individuals. Assured of the love of God, we strive to educate children within an inclusive and compassionate community which celebrates the gifts and talents of our pupils and removes barriers to learning. We strive to be a community of life-long learners, contributing to a just and loving society.

Our partnership family is a partnership of equals who work collaboratively so that everyone can grow and learn together. We celebrate the diversity of our schools, retaining our individual characteristics, whilst working together for the greater good of our whole community.

Through honesty, respect, service and solidarity we value each other as one family.

All are welcome.

Our School Mission

I have come so that they may have life and have it to the full - John 10:10

As a Catholic school, God is at the heart of all we do. We believe that each person is made in His image, deserving to be treated with respect and dignity.

Showing respect, love and care for everyone and everything, we aim to develop harmony between pupils, parents, carers, the school and Parish and grow as a Christian community.

Pupils will share in God's love, whilst receiving a broad and balanced education. We aim to enable each individual to realise their full potential, spiritually, academically, physically, socially and emotionally.

The Nature of Prayer and Liturgy

Prayer and liturgy are at the heart of the community life of St Thomas More Catholic Primary School and reflect the liturgical tradition of the Church, with Christ at its heart. It is an essential part of the school's distinctive Catholic ethos.

It builds on and supports the life of the Domestic Church (the home), where parents are regarded as the first teachers of the Faith, forming their children in their understanding of God's love and prayer, in accordance with the Baptism of their children.

Legal Requirements

Education Reform Act 1988, as amended by the Education Act 1993

Subject to section 9 of this Act, all pupils in attendance at a maintained school shall on each school day take part in an act of collective worship.

As a Catholic community, we acknowledge the legal requirement that there must be a daily act of Liturgy and Prayer for all pupils. We understand that simply holding an assembly that includes a prayer, said either by the teacher or everyone present, does not fulfil this requirement. We also acknowledge that Prayer and Liturgy and assembly are distinct activities. They may sometimes form part of the same gathering, but the difference between the two will always be made clear. As part of this, we also take our duty of Safeguarding very seriously and we understand that personal prayer and reflection may subsequently lead to a disclosure which would activate our well established Safeguarding procedures. The act of Prayer and Liturgy is not designated curriculum time under regulations and will not be subsumed under any part of the curriculum, including religious education. As a rule, acts of Prayer and Liturgy will take place on the school premises, or Church.

Religious worship is to be in accordance with the rites, practices, discipline and liturgical norms of the Catholic Church. At all times the school is to serve as a witness to the Catholic Faith in Our Lord Jesus Christ.'

Rights of Withdrawal

Parents/carers can choose to withdraw their child (up to the age of 16 years) from Acts of Prayer and Liturgy. However, given the importance of Collective Worship in a Catholic school, parents and prospective parents need to be made aware of the fact that it can never be confined to 'timetabled slots' but may take place in a variety of contexts other than those which are specifically structured. Parents should keep in mind the schools Mission Statement when choosing a Catholic school and the role that Collective Worship takes in the life of the school.

Intent and Outcomes

At St Thomas More Catholic Primary School we aim for all to know and love Christ and to open the vision and imagination of the school community to the wonders of living in God's world, and the responsibilities that follow. It is enshrined in the school's Mission Statement.

St Thomas More Catholic Primary School has a holistic aim to educate the whole person (body, mind and soul) thus helping develop the unique gifts and talents of each individual within a broad and balanced Curriculum and nurturing pupils' moral and spiritual development, so they may be equipped to live their Catholic life to the full, sharing in the mission of the Church.

Gospel values are at the heart of all we do and the school strives to provide a welcoming and caring environment and values and works in close partnership with parents/carers, governors, staff and the wider community to this end.

The cycle and rhythm of the Church's year provides a basis for Prayer and Liturgy, and, throughout the year, the school comes together to celebrate important events in the Church and school calendars. Against this background, daily collective worship provides pupils with a rich variety of opportunities to explore, express and develop their own relationship with God within the context of a worshipping community.

Implementation

The place of Prayer and Liturgy in the Whole School Policy

The act of Prayer and Liturgy is central to the life of our school. It is a way of affirming our identity, our individuality and our communal belonging to the Body of Christ. It is our loving response in

word and action to God's invitation to enter into a relationship with Him, made possible through the work of Jesus Christ and the witness of the Holy Spirit. Through Prayer and Liturgy, we give glory, honour, praise and thanks to God.

- Worship is in addition to curriculum RE
- Our acts of worship follow the traditions of the Catholic Church
- Prayer and Liturgy times are clear in their liturgical focus and varied in their delivery
- Pupils help to plan and lead Prayer and Liturgy within their class
- An act of worship commences with the Sign of the Cross to gather the community together, provides a time for reflection and concludes with a sense of renewed and deepened relationship with God
- Pupils and staff have the opportunity to experience different forms of prayer, including formal, more traditional prayers of the Catholic Church, prayers common across the school said at agreed times of the school day, as well as spontaneous prayer, meditative prayer and time for contemplation
- Prayer time is quality time and participants are given the opportunity to take part in a meaningful way, in order to develop a real 'sense of prayer'
- Pupils are encouraged to understand why we say prayers and what the prayer is about (e.g. Stations of the Cross in Lent, the Rosary in May and October)
- Sharing worship with children is an opportunity to help the child to understand and take part in the adult worship of the Parish, but at their own level
- All worship is open to all faiths represented in our school
- The celebration can address the emotions and feelings of the child's experience, reflect thanksgivings, special days or feast days. It gives the opportunity to reflect silently on the Word of God
- Children are given the opportunity to worship through song. We learn a range of traditional and modern hymns in a weekly singing practice
- Worship in school creates a real sense of belonging for all involved
- Every opportunity is taken to extend a warm and genuine welcome to priests, parents, parishioners and members of the local community to take part in the school worship

How Collective Worship is Organised at St Thomas More Catholic Primary School

The table below shows how Collective Worship is explored in greater depth, under the terms 'Liturgy' and 'Prayer' which are terms more commonly used in a Catholic context.

Liturgy	Liturgy and Prayer	Prayer
- A rite of the Church - Prescribed structure, gesture, words, symbols - Limited room for adaptation - E.g. Mass, sacrament of Reconciliation	- A communal prayer that follows liturgical patterns - Texts, symbols, gestures draw on the Catholic tradition - Greater freedom for creativity within these limits - E.g. Gather – Word – Respond – Send/Mission	- Can be formal or informal, routine or spontaneous, private or shared - May include familiar prayers, prayers written for the occasion, spontaneous prayers, silence - Great scope for creativity - Catholic focus but greater opportunities for engaging all pupils

Time Allocation

Throughout the school week, specific time is allocated for Collective Worship. Child-led prayer is encouraged daily to develop our children as leaders of their own faith.

Here is a table showing how time is typically allocated at St Thomas More Catholic Primary School:

Day	Collective Worship
Monday	Liturgical Prayer - Gospel -Led by the Head Teacher -Opportunities for daily class and child-led prayer
Tuesday	Liturgical Prayer - Values and Virtues - Led by our Chaplaincy Team - Opportunities for daily class and child led prayer
Wednesday	Hymn Practice - Led by the Senior Leadership Team -Opportunities for daily class and child led prayer
Thursday	Class Liturgical Prayer- -Class Liturgy prepared and led by children -Chance to respond to the week's Liturgical Prayer -Opportunities for daily class and child-led prayer
Friday	Celebration Assembly -Led by SLT celebrating children across the school. -Recognising the special and unique skills demonstrated by children b inside and outside of school.

In addition, at St Thomas More Catholic Primary School, an annual liturgy schedule lays out how Collective Worship is organised in accordance with the liturgical calendar, taking account of important times in the Church's year and Holy Days of Obligation. This can be viewed in the appendix of this policy.

Community and Participation

Through our various roles we aspire to have the common good at the heart of what we do, to support us to improve the wellbeing of people in our society and the wider world.

The role of the children is to be leaders of their own faith, where they listen and respond to the values and virtues that guide them, to work together to leave our earth better than they found it. They hear the call to encourage each other and develop their connections with their community, becoming active participants that choose to act with Christ at the heart of they do.

Our children do this by:

- Understanding the school mission statement
- Understanding and respecting other faiths
- Making links in the community, parish and universal church.

The role of the staff is to guide and nurture the children's understanding of how God made us to build community cohesion, so all people can share and help each other in unity. It is also to share the belief that people have a right and a duty to participate in society, seeking together the common good and wellbeing of all. In its simplest form, it is about articulating that we live together as a community in solidarity.

*You shall love your neighbour as yourself
Matthew 22: 39*

Our parish is a Christian community that has faith, action and hope at the heart of it. With strong links to Father Joby at St Thomas More Catholic Church, we celebrate a common desire to change the world through the values and virtues presented in the teachings of Jesus. Our parish has the opportunity to take part in the prayer life of the school, celebrations, Masses and community inspired events. This community spirit is driven through our children's desire to change our world; choosing to work closely with others in solidarity.

"An authentic faith-which is never comfortable or completely personal-always involves a deep desire to change the world, to transmit values, to leave this earth somehow better than we found it," – Pope Francis

Visitors are welcomed into our school family, whether this is in person or virtually. Visitors will experience how faith, hope and love is lived out within our setting. They will feel the calm and reflective atmosphere around the school from both the children and the staff. The members of St Thomas More Catholic Primary School work together to support the concept of community, where they welcome a variety of visitors whilst modelling the values and virtues taught to us by Christ. Visitors will experience a community working cohesively to connect to the world around them that extends wider than the parameters of the school, whilst keeping the rhythm of the church's year.

Spiritual Spaces

Prayer areas or spiritual spaces, such as, the school hall and prayer garden, can provide children and adults with an opportunity to develop skills of personal reflection and to explore prayer in an open, inclusive and safe environment. Children should be encouraged to use and if possible, contribute to these spaces, showing respect and an understanding of how these areas reflect the Catholic identity of the school.

All classes and communal areas should have prayer areas, linked to the liturgical calendar and containing spiritual artefacts and resources which aim to generate contemplation, provide inspiration and give a focal point for prayer. Prayer areas should be created by or with the children and should contain a candle, a cross, a Bible and a cloth reflecting the correct liturgical colour.

Impact

Children at St Thomas More Catholic Primary School are developing a growing independence to pray through stillness. They understand the importance of spending time in God's presence, both individually and as a community, to deepen their faith and develop a relationship with God.

They use prayer and liturgy to strive every day to bear witness to Christ and 'be the change they want to see in the world today'. They demonstrate reverence, sing joyfully and respect the needs of others to pray. This nurtures the children to love themselves, love each other and love Jesus Christ.

Monitoring

At least once a year the school's provision of worship will be evaluated to consider whether it meets the needs of all pupils and whether pupils are making progress in acquiring skills and abilities in organising and leading worship.

Recording

Collective Worship is recorded through displays, collections of pupils' contributions, prayers, reflections, photographs, videos, etc. Class-led liturgical prayer sessions are recorded on a planning template which is used at St Thomas More Catholic Primary School and helps to guide the worship against a shared theme.

Why is Prayer necessary?

Prayer is the foundation of Christian Life. Prayer is communication or communion with God. Through prayer we are drawn deeper into the life of the Father, the Son and the Holy Spirit. Jesus himself taught us the need for prayer. In Gethsemane as He prepared Himself for the climax of His life, Jesus received the strength He needed in prayer to His Father, "Abba Father Take this cup away from me but let it be as you not I, would have it". At moments of His public ministry when those in need were pressing around Him, Jesus went off to a lonely place and prayed there.

What is Prayer?

We can pray anywhere and at any time. The first step is to place ourselves, as we are, in the presence of God. The second step in prayer is to pray. This means speaking to the Lord, asking Him for our needs and thanking Him for the many gifts He has given to us. This leads to praise and adoration. The third step is to be silent so the Lord Himself can guide the direction of our hearts.

How do we Pray?

The best prayers are those that come from the heart. There are times however, when we find it almost "impossible" to pray: and then we need prayer books and the prayers we have learned by heart. Our children should have the opportunity to find out about and respond in a variety of ways to Jesus' example and teaching with regard to prayer. They should be encouraged to explore the different forms of prayer, and to be helped to grow in appreciation of the importance of prayer in sustaining a living relationship with God. Children's experience of prayer and worship in school, which for some of our children will be the only prayer experiences they will receive, will have a deep impact on their spiritual development as Christians, and a love of their Catholic heritage which they can take into their adult life. Their lives of Prayer Worship must be continually developed and fostered.

In prayer we become aware of God's presence with us and his love for us. We listen to Him in order to discover His will for us and to express to Him our gratitude, praise, love and adoration.

We can foster the children's life of prayer by helping them become aware of God's presence in their lives and His love for them and by leading them to respond to Him in a manner appropriate to their age.

Children learn to pray chiefly by sharing in the faith and prayer of adult Christians, especially parents, priests and teachers. Therefore, we believe that we should go a step beyond teaching them prayers, we should pray with them in their presence.

We should encourage them to pray by themselves, especially in the morning and at night. There are many ways of helping the children to meet God Our Father in prayer:

Prayers of Silence: To help the children participate in a prayerful silence, we can use various ways of focussing their minds on prayer. We can ask them to concentrate on an object, a picture, a lighted candle, some quiet background music or by giving them guidance about what to think: "Let's think about".

Spontaneous prayer: Once we have begun it is often difficult to stop children praying spontaneously. The children may not be able to express their thoughts accurately at first, and they may initially be shy or embarrassed. Many of their prayers may be prayers of petition for a sick parent, grandparent or friend. We try to encourage them to pray not only for what they want, but also to pray that things will turn out as God knows best. We also encourage the children to express thanksgiving, love and praise to God the Father in their spontaneous prayer.

Praying through gesture or action: We encourage children to make even the simplest gestures thoughtfully so that the gesture or action is a prayer in itself. Gestures that the children will be taught as they move through the school will include: making the Sign of the Cross, joining their hands, offering the sign of peace, bowing their heads at the name of Jesus, genuflection, hand gestures, processions etc.

Formal /Traditional Prayers: As the children move through school they will be taught and introduced to the commonly used prayers of the Church so that they are able to join in and participate in parish celebrations. The introduction of many of the responses of the Holy Mass, are incorporated into their classroom and assembly prayer and worship celebrations. Our aim is to help the children to develop a reverence and a positive attitude to praying.

Praying through Music and Song: Listening to reflective music can create an atmosphere conducive to prayer and reflection. The singing of hymns can be so joyful. "Singing hymns is praying twice". Reflective music and singing are both used during prayer and worship sessions.
