

Term: 5
Weeks: 2-7

Weekly Homework Sheet

Year: 1

Teachers: Miss Copson

General: Read a book for 15 mins each day
General: Read a book for 15 mins each day. Reading 3
times = a raffle ticket

Choose an activity each week and create your own homework projects. Remember that presentation is important. You can use the internet, library & any museums/galleries/famous landmarks to help you with this.

Bring your homework in on a day that suits you but you must complete one piece of homework in each week. This can be in your book or carried into school if it is 3D!

You can find a copy of the homework on the school website.

Spellings and reading are expected to happen daily throughout the week.

Reminders

PE days - Tuesday and Friday

Outdoor and indoor PE kit as well as trainers and pumps will need to be in school every day.

Please choose at least one activity a week from the following:

1. Maths Seeds- Your log in has been sent home. You will be set a new task every two weeks.
2. Art-Create your own art work showing the four seasons.
3. Science-Create a weather diary for a week.
4. English-Write a postcard to a friend-let them know what the weather is like in England in spring, what activities you can do in spring and what clothes you might wear.
5. Science/PSHCE-Create a poster showing how to stay safe in the sun.
6. DT-Design and make your own smoothie. Write a list of the ingredients you used.
7. English-Learn a poem about the seasons by heart. Let Miss Copson know when you've learnt it and you can present it to the class!
8. Geography- Compare Cheltenham to Tasmania (Australia) - how are they similar? How are they different?
9. DT-Go to a supermarket with a grown up. Take a photo of 5 fruits and vegetables. Label them to tell me whether they're a fruit or vegetable.
10. Geography-Write a list of three hot areas in the world and three cold areas. You could also find these on a world map.
