Mission: Our Trust family is united in its shared mission to develop our Catholic ethos in order to transform every child, family and community we serve in Jesus' name

Vision: Our vision is to empower every child to excel academically, socially, morally, culturally and spiritually in order that they may flourish as individuals. Assured of the love of God, we strive to educate children within an inclusive and compassionate community, celebrating the gifts and talents of our children and removing barriers to learning. We strive to be a community of life-long learners, contributing to a just and loving society.

Our Trust family is a partnership of equals who work collaboratively so that everyone can grow and learn together. We celebrate the diversity of our schools, retaining our individual characteristics, whilst working together for the greater good of our whole community.
