

Meet your new teacher...

About Year 2

This year, we are going to be learning lots of new and exciting things. In History, we will be learning about explorers like Christopher Columbus and all about the The Great Fire of London. In Geography, we will be learning about the Caribbean and our local area. In Science, we will be looking at different materials and living things and their habitats. These are just a few things we will learn!

A bit about me...

I have been teaching at St Thomas More for 13 years. I was born in Worcester but moved to Cheltenham about 10 years ago. I enjoy going for lovely walks and doing adventurous things like zip-lines! I once did the fastest zip-line in the world! I love being around animals – they make me feel calm and happy! My favourite thing is being an auntie to my three beautiful nieces.

A fun fact about me...

I have four pet chickens (Primrose, Buttercup, Rosie and Bluebell) and a pet tortoise (Oscar). One day, I would love to have my own little farm.

Hi, I am Miss Copson!

Favourites:

Food: Pizza

Music: Country

Drink: Summer Fruits

Squash

Movie: Toy Story

Book: The Explorer

Game: Uno

Sport: Kayaking

Animal: Zebra

Colour: Yellow

Subject: Maths

Hobby: Walking
