

Meet your new teacher...

About Year 4

This year we will be studying the Greeks and Romans in History, completing a case study of Greece in Geography and learning about Sound and Electricity in Science. We will also be looking at the work of Claude Monet in Art and creating a Night Light in DT. I'm sure we can squeeze in some trips and dress up days too!

A bit about me...

I have been teaching for many years, mainly in Year 2, but I've loved teaching Year 4 this year! St Thomas More School is my favourite place to work at because I love the enthusiastic and caring children that are here. I have 2 children who are now at Secondary school and we love watching sport, going for walks over Cleeve Hill and enjoying going on holiday together.

A fun fact about me... When I was 20 I did a skydive in Cairns, Australia. I jumped out of a plane 10,000 feet in the air!

Hi, I am Mrs Cook!

Favourites:

Food: Salt and Vinegar Crisps

Music: 80's/90's pop!

Drink: Tea

Movie: Guardians of the Galaxy

Book: Girl of Ink and Stars

Game: Cluedo
