About Year 5

There's so much to look forward to in Year 5! We delve into a study of the Mayans and South America in the Autumn Term, studying different legends in English before moving into the world of Roald Dahl to link with our Science work- investigating changing states. In Spring, we enter the world of the Vikings and get to design and make our own Viking long ships. In Summer we become Rainforest adventurers, looking at deforestation and reading the fantastic book, 'The Explorer'. It will be a brilliant year of learning!

Being a teacher is the best job!

I have been lucky enough to teach in Italy and South Africa and in some independent schools too. I have been a Deputy Headteacher, Co-Headteacher and Acting Headteacher, but truly enjoy being in the classroom.
