

Meet your new teacher...

About Year 6

This year our learning will be linked around a theme. In History this year we are going to be learning about the Chinese Dynasty, World War 2, while specifically studying Winston Churchill and Charles Darwin. In Geography, we will be learning about China and biodiversity. In Science, we are going to be learning about light, electricity and evolution. This is just a snapshot of the exciting things we will be learning this year.

A bit about me...

I have been teaching at St Thomas More for 13 years, but I was born in Scarborough, North Yorkshire, which is on the coast. I grew up by the beach playing in the sand and spend lots of half terms travelling back to Scarborough to see my family. I have a 10-year-old Labrador called Leia. I enjoy going for dog walks with her, especially on the beach where she loves to run in the sea but not really swim.

A fun fact about me...

I used to work in an ice cream factory and could make the ice cream.

Hi, I am Mrs Gowan

Favourites:

Food: Pasta

Music: Country

Drink: Tea

Movie: The Lion King

Book: Goodnight Mister Tom

Game: Uno or Dobble

Sport: Dance

Animal: Elephant/Dog
